"THAT THING WAS NOT BIG, IT WAS F\*\*\*ING HUGE."

After the dramatic crash happened at the "RON versus HORNBACK" show in Berlin, Germany, RON is recovering fast but still needs medical attention. He's already using swear words again, which shows that he is almost back to normal: "That thing was not big, it was f\*\*\*ing huge." In jumping over HORNBACK, the biggest DIY superstore, he tried to set a new record.
